

## INSPECTOR GENERAL REPORT

2014-10-0203

October 30, 2014

### FEDERAL AGENCY ASSISTANCE

*Inspector General Staff Attorney Kristi Shute, after assistance by Special Agent Mike Mischler, reports as follows:*

This report addresses the cooperation and readiness to provide assistance by the Indiana Office of the Inspector General (“OIG”) to an investigation by a federal agency. Similar to other law enforcement agencies, the OIG assists agencies upon request. The OIG is specifically authorized to cooperate with federal law enforcement agency investigations. IC 4-2-7-3(4)(B).

On October 23, 2014, an Investigator with a federal agency requested the OIG’s assistance in obtaining the wage and employment data for an entity under investigation for healthcare fraud. Special Agent Mischler contacted the Indiana Department of Workforce Development to obtain the requested information which was then provided to the Investigator.

Since assistance has been provided and no additional support has been requested at this time, this case is closed. This office, however, stands ready to

provide assistance in the future upon request.
